2.2 Paddock Plan:

Please find the British F4 paddock plan [HERE](#).

2.3 Paddock Access:

Teams can only access the F4 paddock at 14.00 on Wednesday 2nd July for set up, so please ensure your trucks are outside the gate on time. Entry on this day is strictly via Teamcard, which will be distributed in Carpark 49, situated just outside the main entrance, by a member of the Championship.

On Sunday, teams may pack down after the final British F4 race, however departure is not permitted until after the Formula 1 race has commenced, at approximately 15.00.

3. Important information:

3.1 Driver / Entrant Sign On – 04 - 06 July

Each driver and entrant will need to complete and return the sign on form [HERE](#)
Please return to eve.lake-grange@motorsportuk.org

3.2 Post Session Procedure for Car Cooling

Given the time of day that F4 will be coming off track, and the need for buses to transport personnel from the Wing back to the National Paddock, there is going to be a delay to personnel being available to cool cars back at the National Paddock. There is no easy solution here given we cannot predict the traffic at that time so the following procedure will be in place.

If teams have additional blowers, please ensure you bring these with you. You can choose how many you wish to leave on the National side in the usual Parc Ferme area (Scrutineering Bay). It is entirely up to teams, but you can choose to leave a member of staff on the National side during session, ready to receive the cars at the end of the session, or you can instruct your drivers on how to cool cars until team personnel arrive. To try and get team personnel back to the National side promptly, we are looking to arrange some transport that will be allowed to go on circuit and come off at the National Pit Lane, all other team personnel will be required to get the buses.
